Dear Yale Alumni,

President John F. Kennedy was obviously misinformed when he received an honorary degree from Yale and declared, "It might be said now that I have the best of both worlds – a Harvard education and a Yale degree." Fortunately, we know better.

Our education and experiences at Yale enriched our lives and admitted us to a wonderful community of scholarship and fellowship. Over 1,600 Yale graduates live in the San Diego area, and joining the Yale Club of San Diego is an easy way to maintain that unique sense of community.

Membership has its rewards:

- Regular newsletters informing you of club activities
- Club-organized telecast of the Yale-Harvard game
- An Annual Dinner with an engaging speaker from Yale
- A day at the polo matches
- An Annual Mixer at a member's elegant home
- Informative and entertaining events with accomplished Yale alums
- Invitations to events hosted by other Ivy clubs in San Diego

Other events are being planned to enhance your membership value.

Your club also supports Yale and the community by interviewing over 250 applicants each year through the **Alumni Schools Committee** and recognizes outstanding juniors in over 20 San Diego high schools through the **Yale Book Award** program. You can sponsor a local high school's Yale Book Award for just \$30. The club also maintains ties to the university through its participation in the **Association of Yale Alumni**.

You can be a part of this vibrant community with your annual membership contribution. An individual membership is only \$25 per year – only \$35 for Yale couples. Discounts are available for younger graduates and parents of current students. Our membership year is January 1 through December 31.

The Yale Club of San Diego offers a safe, secure and easy way to join on our website at www.yaleclubofsandiego.org. If you prefer to avoid cyberspace, simply fill out the membership form on the back of this letter and mail it to us with your check. Thank you in advance for your support.

Sincerely,

Dan Seiver, President
